

Linear and Quadratic Functions Unit

Using this study guide will help you prepare for your exam and ensure that you learn the most important content. Keep it in your notebook or computer and take notes as you progress through the unit.

Introduction

1. What are my section goals/objectives?
2. My personal goal is to complete this section by:

Section E: Solving Quadratic Equations

Define the Zero-Product Property and explain how it is used.

How is the Discriminant used to figure out the number of solutions to quadratic equations?

Write down the steps for completing the square.

Write the Quadratic Formula.
