

Geometry
Unit: Introduction to Geometry
Section: Rays and Angles

Matching: Naming Angles

Directions: Match each angle with the correct description.

1. angle A B C
2. angle C
3. angle B A C
4. angle F E D
5. angle D F E
6. angle F D E

- a. point F with rays extending from it through points D and E
- b. point E with rays extending from it through points F and D
- c. point C with rays extending from it through points A and B
- d. point B with rays extending from it through points A and C
- e. point D with rays extending from it through points F and E
- f. point A with rays extending from it through points B and C

Answers:

1. d
2. c
3. f
4. b
5. a

6. e
