

## Surface Area and Volume Unit

Using this study guide will help you prepare for your exam and ensure that you learn the most important content. Keep it in your notebook or computer and take notes as you progress through the unit.

### Introduction:

1. What are my unit goals/objectives?
2. My personal goal is to complete this unit by:

## Section A: Surface Area and Volume of Prisms and Cylinders

What is surface area?

Draw and label the surfaces of a prism with a rectangular base.

Draw and label the surfaces of a prism with a triangular base.

Draw and label the surfaces of a cylinder.

What are the steps to find the surface area of a figure?

What are the steps to find the volume of a figure?
