Course: *Teaching Strategies GOLD® Basic*

Course Overview

During this online course teachers will be introduced to the components and structure of *Teaching Strategies GOLD®*.

Through video clips, individual reflections, activities, and quizzes teachers will explore the progressions of development and learning for children birth through kindergarten. They will practice using the 4-step assessment cycle, including evaluating a child's portfolio and developing a communication plan. Additionally, teachers will have the opportunity to explore and practice using the technology side of *Teaching Strategies GOLD®*.

By the end of the session teachers will have the basic skills to begin implementing *Teaching Strategies GOLD®* using the online system.
