

The 21st Century Principal

The DoDEA 21st Century Principal creates, leads, and sustains a collaborative school culture that engages the collective wisdom of the school and community to:

- Build a shared commitment to excellence and a vigorous pursuit of high student performance.
- Ensure a student-centered school environment that provides and nurtures innovative learning experiences for all students to prepare them for success in life.
- Lead the school’s collective entrepreneurial spirit to remove barriers, challenge the educational system’s status quo, and empower students to utilize their curiosity, discovery and creative problem solving skills.
- Empower all staff, parents, and students to collaboratively and deliberately use data to support every student's academic, social, and emotional growth.
- Activate and sustain community partnerships and mentorships that maximize all resources available for the success of military children.
