

Systems of Equations and Inequalities Unit

Using this study guide will help you prepare for your exam and ensure that you learn the most important content. Keep it in your notebook or computer and take notes as you progress through the unit.

Introduction:

1. What are my unit goals/objectives?
2. My personal goal is to complete this unit by:

Section B: Systems of Equations

Describe the following:

Consistent Systems

Inconsistent Systems

Dependent Systems

Independent Systems

Describe the substitution method for solving systems of equations.

Describe the elimination method for solving systems of equations.

Describe how matrices are used to solve systems of equations.
